

## Registration Reminder: 30 Days Left for the 2024 World Fuel Cell Conference (WFCC) in China!

Dear XXX (or Professors and Authors)

I hope this message finds you well. I am writing to remind you that there are only 30 days left to register for the highly anticipated WFCC 2024! This multi-disciplinary conference brings together experts from various fields to discuss the latest developments and advancements in fuel cells, from fundamentals, to advanced materials, design, engineering, products, and applications. It is a unique opportunity for professionals like you to gain valuable insights and expand your network.

Scheduled from July 7<sup>th</sup> to 10<sup>th</sup>, the WFCC 2024 will be held at the International Conference Center in Ningbo, Zhejiang Province, China. We are thrilled to share that abstracts has garnered a positive response, with the submission count exceeding 150! Don't miss the chance to attend lectures delivered by esteemed researchers from around the globe, showcase your own groundbreaking research, and forge connections with potential collaborators in your field.

#### Conference Special Issues

The conference embraces original contributions across all areas of Fuel Cell and Hydrogen Technologies. All authors of accepted abstracts and who have registered for the conference are invited to submit articles to conference special issues in prestigious journals including *Journal of Electrochemistry*, *International Journal of Hydrogen Energy*, and *eTransportation*.

#### International Academic Committees (Under Developing)

Qunji Xue, Ningbo Institute of Materials

Technology and Engineering CAS, China

Baolian Yi, Dalian Institute of Chemical Physics CAS, China

Suping Peng, China University of Mining and Technology, China

Shigang Sun, Xiamen University, China

Minggao Ouyang, Tsinghua University, China

Xianguo Li, University of Waterloo, Canada

Subhash C. Singhal, Pacific Northwest National Laboratory, USA

Michael G. Guiver, Tianjin University, China

Jack Brouwer, University of California, USA

Piran R Kidambi, Vanderbilt University, USA

Kazunari Domen, The University of Tokyo,

Japan

Anthony Kucernak, Imperial College London, UK

Katsuyoshi Kakinuma, University of Yamanashi,

Japan

Siyu Ye, Guangzhou University, China

Shuhui Sun, Institut National de la Recherche  
Scientifique, Canada

Qiang Xu, Southern University of Science  
and Technology, China

Zhigang Shao, Dalian Institute of Chemical  
Physics CAS, China

Jianbo Zhang, Tsinghua University, China

Minhua Shao, The Hong Kong University of  
Science and Technology, China

Tierui Zhang, Technical Institute of Physics  
and Chemistry CAS, China

Liang Chen, Ningbo Institute of Materials  
Technology and Engineering CAS, China

Yunan Wang, Ningbo Institute of Materials

Technology and Engineering CAS, China

Register now to join us for an inspiring and  
enriching experience at WFCC 2024. We look  
forward to meeting you in Ningbo.

Do note that if you have already registered,  
we kindly request you to proceed with the  
payment at your earliest convenience to secure  
your place. Upon successfully completing the  
payment, you will receive an official confirmation  
letter. Thank you!
