

Table 1 The morphological classification of microplastics in different depth soil layers

Soil depth/mm	Shape category
0-100	Fragment, particle, fiber
100-200	Fragment, particle, fiber
200-300	Fragment, particle, fiber
300-400	Fragment, particle, fiber
400-500	Particle, fiber
500-600	Particle, fiber
